LETTER FROM THE DIRECTOR

Hello Clinic and Flex Families,

Apologies to those of you who love summer, I for one, am so excited for Fall to begin! Yes, it's partially the iced pumpkin spice lattes, but more so the change of the temperature and the slow transition to a slightly cooler, slighter more quiet time. I hope your families enjoy some Fall traditions together, and make some new Fall memories!

A few updates/reminders:

- Big news! The Clinic is growing! We were presented with the opportunity to occupy the first floor of our building, and are in the process of taking steps to begin providing healing services on all three floors of our current building. As plans become more clear, we will share more details with you. Very exciting stuff!
- A huge thank you to all who supported our fundraiser at Nini's Ristorante, we were able to collect a donation of almost \$500 with your support and the generosity of the team at Ninis. If you have ideas for future fundraisers/community collaborations, please reach out to Lucas. Every bit helps!

And we have another fundraiser coming up! D'Angelo on King St in Northampton will donate 20% of all sales Thurs Sept 26th from 12-8 to the Clinic. Grab a flyer, tell your friends and support us if you can!

- Our annual Agency Superhero Run is coming up, please consider signing up to walk or run, and spread the word about this family friendly, very fun event.

- Please make sure to read the article we have included about our CEO, Tina Champagne, and her very impressive work integrating mental health and occupational therapy. We are very fortunate to have her as our leader, inspiring our work!

- Finances:

- If you have a copay for your sessions, please pay copay at the front desk prior to your appointment.
- If you recently received a statement of your balance, please reach out to Lucas (Lgray@cutchins.org, 587-3265) to discuss payment and/or payment plan or pay when you are next in. You can also call in a credit card payment. We are no longer accepting cash at the front desk.
- If you have had, or anticipate a change in your insurance coverage, please let us know as promptly as possible.

Thank you for reading our newsletter, we hope you find it helpful!

With Kindness,

~Amanda Jenkins Harrison, LMHC
Vice President of Community Services
